To the best of my knowledge all the animals comply with the relevant identification markings as stated by BCMS. Cattle born on the 1<sup>st</sup> January 1998 and younger must be double-tagged written on tags are not acceptable

I authorise the auctioneers to act on my behalf without any responsibility attached to this action in respect of eartags and passports.

This Movement of animals complies with the relevant general licensing regulations as stated by the local authority.

**FARM ASSURANCE DECLARATION** Cattle have resided on farm assured holdings for the last 90 days. Failure to affix a sticker and complete the declaration will result in the animals being classed as non assured at the time of sale.

It is the responsibility of the vendor to provide true and complete details regarding farm assurance, in the case of any Farm assurance details provided by the vendor being incomplete or incorrect the purchaser of the lot/s may at their discretion lodge a claim, in which case the vendor will be liable.

### FOOD CHAIN INFORMATION DECLARATION FOR CONSIGNMENTS OF ANIMALS FROM A MARKET TO A SLAUGHTERHOUSE

**For all the animals listed on this document and for each holding from which they were consigned to the market, a declaration, signed by the keeper of the animals on each holding, has been received stating that:**

- The holding IS under movement restriction for bovine Tuberculosis (TB)\*
- The holding IS NOT under movement restriction for bovine Tuberculosis (TB)\*
- Cattle on the holding are not under movement restrictions for other animal disease or public health reasons (excluding a 6-day standstill).
- Withdrawal periods have been observed for all veterinary medicines and other treatments administered to the animals while on this holding and previous holdings.
- To the best of my knowledge the animals are not showing signs of any disease or condition that may affect the safety of meat derived from them.

\* **DELETE ONE**

No analysis of samples taken from animals on the holding or other samples has shown that the animals in this consignment may have been exposed to any disease or condition that may affect the safety of meat or to substances likely to result in residues in meat.
